

08.21.2020

To the UH College Suites Community:

Your health, welfare and safety are most important when you stay at UH College Suites. Noting that the news is dominated by Coronavirus (COVID-19), we wanted to personally reach out and let you know the decisions we have made to protect the health and safety of our students and staff.

Our focus is to ensure we meet our residents' needs while doing our part to keep you, our staff, and our community safe. Colleges are to notify UH College Suites and the Health Department immediately of any known cases of Coronavirus (COVID-19) and work with us to determine a strategy for each individual case.

Here are some highlights:

- Again, we have always been proud of the cleanliness at UH College Suites, and we know that keeping it clean and sanitized is even more important now.
- In addition to our daily cleaning efforts, we continue to increase the time spent cleaning and sanitizing high touch point public areas, to include fob access points, elevator doors and buttons, door handles, locks and latches, stairwell railings, and public bathroom fixture handles.
- Self-cleaning door handle sleeves, push bar wraps, handle wraps, and elevator button covers have been applied throughout common areas.
- Thorough cleaning and disinfecting of all suites have been completed by our cleaning contractor.
- Disinfected all lobbies, hallways, stairwells, and public areas with outside contractor. This will continue throughout the semester.
- Guests and visitors are **NOT ALLOWED**, only in an emergency.
- Masks are required in all public areas throughout the entire UH College Suites complex.
- Signage has been posted reminding students of required and recommended health and safety guidelines.
- The UH College Suites office will remain open. However, we have restricted access to our office with a gate and plexiglass at the entrance door.
- Bottom line: we want you to feel comfortable at UH College Suites.

Your health and well-being are our highest priority and we truly appreciate the trust that you place in us when you stay at UH College Suites.

Below is a list of reminders we encourage you make a part of your daily routine.

- Notify your college if you are ill with **FEVER, COUGH, SHORTNESS OF BREATH**
- Wash Hands Often
- Cover Coughs and Sneezes
- Coughing and Sneezing into your Elbow is Recommended
- Avoid Touching Your Face
- Clean and Disinfect Often
- Avoid Others if you are Sick
